The screenshot shows the Tableau interface. On the left, the 'Marks' card is visible with a dropdown menu set to 'Automatic'. A blue arrow points to the 'Text' option in the Marks card. Below the dropdown, there are buttons for 'Color', 'Size', 'Text', 'Detail', and 'Tooltip'. The 'Text' button is highlighted with a blue box. Below these buttons is a green pill labeled 'SUM(Sales)'. On the right, the 'Columns' shelf is empty, and the 'Rows' shelf contains 'Sub-Category'. The main view area displays a table titled 'Sheet 1' with the following data:
